MyCabin - share & explore

Finn Wilkinsman

Aus unserer Liebe zum Outdoor-Sport und Camping ist dieses Projekt entstanden. Dabei ist MyCabin viel mehr als eine Plattform für Übernachtungsmöglichkeiten in der Natur: Es ist eine Bewegung für mehr Regionalität, Nachhaltigkeit und Minimalismus beim Reisen - für alle, die gerne draußen unterwegs sind! Gemeinsam mit unseren Gastgeber*innen ermöglichen wir Reisenden echte Erlebnisse in und mit der Natur und sensibilisieren dabei für einen verantwortungsbewussten Umgang mit unserer Umwelt.
