

Programme: AT13-Wien Science and Technology Fund - 2008-2020

Topic/s:

Information and Communication Technology 2019 is the fifth project call within the Vienna Science and Technology Fund (WWTF) ICT Programme. It invites researchers and scientists at universities and non-university research institutions in Vienna, including those moving to Vienna, who want to conduct a multi-annual (2 to 4 years) cutting-edge research project in the field of ICT and its application in other fields. Projects should strive to improve the understanding of substantial current scientific research questions (disciplinary, interdisciplinary or transdisciplinary) in the field of ICT with potential medium term economic or social benefit.
