

Programme: EU-HORIZON 2020 Societal challenges - Climate Action, Environment, Resource Efficiency and Raw Materials - 2014-2020

Call:

LCE-Prize-RenewableHospital-01-2016

Topic/s:

The prize will induce innovative renewable energy solutions integrating several technologies into one energy system. Installing such kind of integrated equipment in the ecosystem of a hospital would not only ensure the security of its energy supply, but would also raise public awareness on renewable energy. Moreover, the prize aims to mobilise and enhance private and public investments for replication of similar solutions in Europe and worldwide.

Beneficiaries: Local public authority; Regional public authority; National public authority; Sectorial agency; Infrastructure and (public) service provider; Higher education and research; Large enterprise, enterprise excluding SME; SME

AG1 priority fields: Energy

Call Budget: 1000000,00€

Co-funding type:

Co-funding type: € euro

Co-funding euro maximum: 1 000 000,00 €

Opening date: 05 Jul 2016

Deadline date: 03 Apr 2019
