Managing authority:

European Commission Service for Foreign Policy Instruments

Objectives:

- a) Supporting the Union's bilateral, regional and inter-regional cooperation partnership strategies by promoting policy dialogue and by developing collective approaches and responses to challenges of global concern.
- b) Implementing the international dimension of 'Europe 2020'.
- c) Improving access to partner country markets and boosting trade, investment and business opportunities for companies from the Union, while eliminating barriers to market access and investment, by means of economic partnerships, business and regulatory cooperation.
- d) Enhancing widespread understanding and visibility of the Union and of its role on the world scene by means of public diplomacy, people-to-people contacts, cooperation in educational and academic matters, think tank cooperation and outreach activities to promote the Union's values and interests.
