

Programme: EU-HORIZON 2020 Excellent science - 2014-2020

Call:

INFRADEV-01-2019-2020

Topic/s:

New leading-edge research infrastructures in all fields of science and technology are needed by the European scientific community in order to remain at the forefront of the advancement of research, and to be able to help industry strengthen its base of knowledge and its technological know-how. The aim of this activity is to support the conceptual and technical design for new research infrastructures which are of a clear European dimension and interest. Major upgrades of existing infrastructures may also be considered if the end result is intended to be equivalent to a new infrastructure.

Beneficiaries: Local public authority; Regional public authority; National public authority; Infrastructure and (public) service provider; Interest groups including NGOs; Higher education and research; Education/training centre and school; Start up; Large enterprise, enterprise excluding SME; SME; International organization, EEIG under national law

Call Budget: 20000000,00€

Co-funding type:

Co-funding type: € euro

Opening date: 25 Jul 2019
