

Programme: AT12-KWF research, development and innovation program - 2016-2020

Topic/s:

This KWF call aims to support domestic companies that are facing the challenges of digitization and can be comprehensively advised by experts in the context of » SME DIGITAL Consulting « of the WKO Austrian Economic Chamber (Step 1 - WKO - Advice).

In the special consultations, entrepreneurs can make systematic and topic-specific implementation decisions. Together with the consultant, a holistic implementation strategy will be developed and concrete measures planned and, based on this, the » SME DIGITAL Advisory Report « prepared. The consultations are carried out by certified digitization consultants .

With the " SME DIGITAL Advisory Report" of the WKO, the entrepreneur turns to the KWF with regard to the implementation of the recommended investment measures. The KWF funding rate is also a maximum of 50% or a maximum of 5,000 EUR (Step 2 - KWF - Investment).
