

EURO-ALPINE MEETING OF PASTORALISM

As a part of the Film Festival "Pastoralism and Great Spaces"

Which pastoral strategy for the Alpine region?

October 8, 2020

ALPEXPO
2 AVENUE D'INNSBRUCK, À GRENOBLE

Within the framework of the International Film Festival "Pastoralism and Great Spaces", the French Presidency of the EU Strategy for the Alpine Region (EUSALP) is organizing the Euro-Alpine Pastoralism Meeting. The objective is to share experiences of public policies, to exchange on projects at the crossroads between academics and practitioners, to identify project perspectives for the next programming of European funds and to build a strategic community of pastoralism at the Euro-Alpine scale. A day devoted to the transitions of pastoral livestock farming in the face of current and future changes in the Alpine region in order to better meet society's expectations of pastoralism.

- To discuss the initiatives of the different territories of the Alpine region :
- **3 workshops** to express your recommendations for the next programming
- **1 round table** with decision-makers, funders, to answer your questions

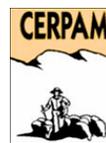

Online registrations before September 25

PROGRAM

9:00 – 9:30 am – Registration and welcome coffee

Welcoming word

Presentation of the pastoral context of the French Alps by the Alpine Pastoral Network

10:00 am – 1:00 pm – Thematic workshops

3 workshops dealing with ongoing and future pastoral changes, with the participation of project leaders from the different territories of the Alpine region :

- Food sovereignty, a new challenge of enhancing the value of pastoral products
 - Resilience of pastoral livestock farming to climate change
 - Metropolises and pastoral areas, confrontation and complementarity
- Discussion on current projects and proposals for recommendations for the future

1:00 – 2:00 PM – Buffet (alpine lamb)

2:00 pm – Presentation of EUSALP and the Alpine Convention actions in favor of pastoralism

- Wolfger Mayrhofer, Permanent Secretariat of the Alpine Convention and co-leader of EUSALP Action Group 6 (Natural and cultural resources).

2:30 pm – Overview of support and initiatives in the Alpine region

- Marie Clotteau, Director of Euromontana presents the results of the "Mountain Grasslands" report, about pastoral initiatives to improve the resilience of pastures, across the Alpine region and elsewhere, to contribute to their sustainable environmental, economic and social management.

3:00 pm – Plenary Workshop Report

- For each of the three themes discussed in the workshops :
Presentation of the common issues identified, shared project ideas, recommendations
→ Discussion with the audience

4:00 pm – Concluding round table discussion and outlook

- Roundtable with public decision-makers: How to strengthen pastoralism in the face of the changes underway in the territories to better meet the expectations of citizens? What are the recommendations for the coming decade?
→ Discussion with the audience
